**For more than 100 years**, the American Institute of Banking (AIB) has trained bankers in traditional banking skills, such as how to make prudent and profitable consumer, mortgage and commercial loans. Call us old fashioned, but from our industry standard, **Principles of Banking**, to **Analyzing Financial Statements**, our content is more relevant than ever. And AIB is available anytime, anywhere with our instructor-facilitated, Internet-delivered format. AIB Online Courses provide high quality instruction with the convenience of an online classroom. AIB was a pioneer in the field of adult education for business and we continue to meet the educational needs of the banking industry. Our many course titles and start dates offer opportunities for your employees and for your bank to excel at what our industry does best.
