AN INVITATION

Stronger Together. Always.

Bankers work every day to strengthen the people, businesses, and communities they serve. Through changing markets, advancing technology, and growing challenges, one thing remains constant – the commitment of community bankers to lead with integrity and purpose.

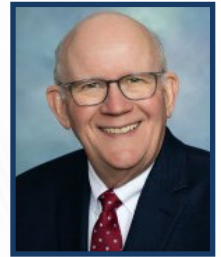

When we gather, ideas grow stronger, partnerships deepen, and our shared purpose becomes even clearer. Together, we celebrate our banks, our communities, our associations, and the country that gives us the opportunity to serve.

Join us in Bismarck this June for the 2026 NDBA/SDBA Annual Convention as we come together to learn, connect, and celebrate what makes us **STRONGER TOGETHER.**
