

You are invited to join this 90-minute roundtable where we will discuss the **impacts of fraud, common myths, investigation and prosecution strategies** and how to **engage with victims**.

This conversation will be moderated by **Paul Greenwood** a renowned expert in the field of elder abuse and fraud prevention, and AARP Fraud Ambassador. Greenwood, a retired San Diego Deputy District Attorney, now consults on elder abuse cases and trains law enforcement and Adult Protective Services agencies across the U.S. and internationally.

Combating Elder Fraud Together

Fargo: events.aarp.org/Discuss9-24-25

Combating Elder Fraud Together

Fraud is at a crisis level in this country, and we need a whole-of-society response to address its catastrophic impact. Older adults are often targeted for their presumed wealth, with scammers seeking to steal everything from them.
