Why Is NDBankPAC Needed?
The banking industry is one of this nation’s most heavily regulated and legislated industries. Its success, therefore, is dependent upon the actions of government, and the actions of government are dictated by the decisions made by our elected officials. It is critical that those elected support the banking industry and understand the issues affecting it.

How Does NDBankPAC Operate?
NDBankPac is led by a committee of North Dakota bankers who determine which candidates to support. Candidates at both the federal and state levels are supported through the contributions made to NDBankPac by NDBA member banks and their employees.

Who Receives NDBankPAC Contributions?
The NDBankPAC Committee determines which candidates to support by considering:
- A candidate’s position on and understanding of banking and business issues
- A candidate’s voting record, leadership ability or position, and committee assignments
- Recommendations from individual bankers

NDBankPAC is nonpartisan and does not consider a candidate’s party affiliation when determining who to support.

Why Give to NDBankPAC?
Every dollar contributed goes directly to candidates – contributions are never used for administrative or promotional expenses. By making a contribution, your dollars will have a statewide impact on the election of candidates who support the banking industry. And when we give together through NDBankPac, we have a much stronger impact than if we gave individually.

What are the Benefits?
- Your organization will receive recognition in the North Dakota Bankers Association Bulletin.
- You will help candidates who support the banking industry.
- You will set a powerful example for the banking industry and guarantee our success in future elections.
- You will be recognized at NDBA events with a contribution sticker or pin.

- Up to $99 Silver Sticker
- $100 to $299 Gold Sticker
- $300 to $499 Diamond Pin
- $500 and up Double Diamond Pin
